CERTIFICATE OF APPRAISAL

This certificate stands as Testimonial for the craftsmanship of SRI RAJIV KHANNA, an architect, who had given us a building-plan for constructing Opium De-addiction Centre at Manaklao, Distt. Jodhpur (Rajasthan) with the need & environmental outlook as a rural area of western Rajasthan requires.

Our Trust had a bundle of such building plans and we are pleased to state that plan prepared by Rajiv Khanna was approved unanimously and today the building that has been constructed and would be extended in near future would be on the line of Rajiv's plan.

We wish his progress.
